Youth Development

Opportunities Industrialization Center Project Y.COM Program

- Is a comprehensive and innovative training program for youth aged 14 to 17 years of age and in school.
- 60 youth currently enrolled in the in-school phase and 143 in the follow—up phase of the program.
- Directly provides training in Basic Education Enrichment, Information Technology/Web Page Design and Radio Production.
- Provides leadership skills training through the Youth Council
- Direct parental involvement through the Parents' Association coupled with basic education, cultural and career experiences.
- The youth produce a weekly radio show WOIC on WOL 1450AM heard every Saturday from 4 to 5pm.
- The youth develop web pages that enhances their training and can be viewed at www.oicdc.org.
- Has serviced 63 youth from Ward 8 and welcomes more

Youth Development

Opportunities Industrialization Center Out of School Program

- Provides valuable skill training in two growth occupational areas basic education/GED preparation and MOS/Office Practices.
- OIC/DC Certified Instructors will prepare out-of-school youth for office jobs by training them in Microsoft Word and Excel.
- OIC/DC will also provide basic education enrichment and GED preparation training.
- Training time frame is approximately 20 weeks, inclusive of classroom and on-the-job training.
- Participants receive an hourly stipend for classroom and on-the-job training.
- Training for District of Columbia residents ages 18-21.
- The program is located at OIC/DC's Training Center located in Ward 8: 3707 Martin Luther King Jr. Avenue SE (202) 373-0330.
- The program invites all youth to come and be a successful trained professional.
